Fees and tuition include textbooks, lab supplies, student insurance, and participation in yearly national standardized testing program. Parents are asked to provide entrance fees for special field trips, UIL, TAPPS, student pictures, yearbook, and P.E. uniforms. A “supply list” is sent to each family in a summer mailing packet. Additional fees will be assessed if a student requires a separate class(es) that does not follow our junior high or high school curriculum sequence.

Limited funds are available to help families who qualify for tuition assistance. Please contact the office to get more information.
