Brenham Christian Academy works best through the combined talents and resources of our faculty and parents. As Paul describes in Ephesians 4, talents are different but God is glorified through our service for His work. There are many blessings through serving at the school. The relationships between parents, students and teachers are enhanced; as well as the day to day environment is improved. Please look at the volunteer positions below and see where you may be most interested in participating (a brief description of each position is located on the following pages).
